## Honoring Veterans

MISD schools took time on November 11th, Veteran's Day, to honor and recognize area Veterans. MIMS hosted a Veteran's Lunch, which provided an opportunity for students to thank Veterans in person and learn about their service. A special thanks to MISD's John Teller, Jr. for bringing in his U.S. Marine uniform.

**MISD VISION**  
Enriching the lives  
of our children  
through education

**Give Your Student a  
Gift That Will Last  
for Years to Come**

This holiday season give your student one of the best gifts ever: the gift of attendance.

Attending school every day (virtual or in-person) ensures they're learning, progressing and building upon past lessons and paving the way for a successful future.

Happy holidays!

## MIHS Athletic Success

The recent MIHS athletic banquet was an evening to remember! School sports have had strong participation this year, along with some outstanding successes.

Student athletes from football, volleyball and cross country were recognized for their achievements.

"Keep in mind, not all success is on the field, court or track," explained MIHS

principal and district athletic director, Chuck Raasch. "What our student athletes learned through teamwork, leadership and dedication all contributed to their success on and off the field."

A special shoutout goes to Wendell Waukau Jr. who recently signed his National Letter of

Intent to play baseball for Bryant & Stratton College in Wauwatosa, where he'll be studying physical therapy.

Congrats to all of our student athletes!

## Language & Culture Project

Thank you to everyone, especially MIHS students, who helped frame what will eventually be the MIHS Teaching Lodge. It was a great experience and everyone learned a lot. Next up is covering the frame with bark.

## Facilities Update

A brief update on MISD facility plans:

Remodeling plans have now been finalized for the Student Health Center

and the Central Office.

The KPS addition is in its initial stages of planning. As for a potential new high school, discussions

will begin in December.

Watch for future announcements about community stakeholder meetings.

## Oh the Weather Outside is Frightful

It's that time of year again, when winter weather tends to occasionally disrupt our plans.

One good thing that COVID-19 has taught us is that, when we need to, we can switch to remote learning.

That may be the case in the future when it looks like bad weather may impact the ability of students, teachers and staff to safely get to and from school. And, of course, there may be times where we are closed for the day or need to do an

early dismissal. As in the past, parents and guardians will be notified of schedule changes via the Skyward system and, also when appropriate, via local media. So please make sure your contact information is current.
